

Enaville-Thompson Pass Road

Weekly Newsletter

SYNOPSIS: The Enaville-Thompson Pass Road project began on May 1 and involves re-surfacing 12.9 miles of Forest Highway 9 from the junction with Forest Development Road 209 (Bumble Bee Road) to the bridge crossing the Coeur d’Alene River. Project specifics include cold in-place recycling for existing asphalt, overlay of hot asphalt concrete pavement, and sub-excavation in areas of poor or frost susceptible subgrade soils.

ACTIVITIES FOR WEEK OF July 20-July 24: Continuous cold recycling will continue along the northbound lane and begin in the southbound lane. It is anticipated that up to three miles will be milled each day. Culvert cleaning will begin.

STAY BEHIND THE PILOT CAR

A pilot car is in use. Expect delays. Maximum delay shall not exceed 30 minutes.
