

Enaville-Thompson Pass Road

Weekly Newsletter

SYNOPSIS: The Enaville-Thompson Pass Road project began on May 1 and involves re-surfacing 12.9 miles of Forest Highway 9 from the junction with Forest Development Road 209 (Bumble Bee Road) to the bridge crossing the Coeur d’Alene River. Project specifics include cold in-place recycling for existing asphalt, overlay of hot asphalt concrete pavement, and sub-excavation in areas of poor or frost susceptible subgrade soils.

ACTIVITIES FOR WEEK OF July 27-July 31: The cold recycling train continues milling in the southbound lane; up to three miles will be milled each day. Culvert cleaning in tandem with ditch reconditioning continues throughout the project corridor.

STAY BEHIND THE PILOT CAR

A pilot car is in use. Expect delays. Maximum delay shall not exceed 30 minutes.
