

## Enaville-Thompson Pass Road

# Weekly Newsletter

**SYNOPSIS:** The Enaville-Thompson Pass Road project began on May 1 and involves re-surfacing 12.9 miles of Forest Highway 9 from the junction with Forest Development Road 209 (Bumble Bee Road) to the bridge crossing the Coeur d'Alene River. Project specifics include cold in-place recycling for existing asphalt, overlay of hot asphalt concrete pavement, and subexcavation in areas of poor or frost susceptible subgrade soils.

**ACTIVITY OF THE WEEK:** Final Review, October 20, 2009.

FHWA extends our congratulations and thanks to all of our partners for the successful completion of the Enaville-Thompson Pass Road project. In addition, we'd like to especially thank the public and residence along Coeur d'Alene River Road for their patience and cooperation during this process.
