Esmond, Hawley, and Buck Creek Culverts OR BLM ARRA 2009(2)

Progress Report

The contractor, Houshour, Inc., substantially completed all work on the project on October 9, 2011. All roads shown in the table below are open to public traffic.

Project Background

The Eugene District BLM is implementing American Recovery and Reinvestment (ARRA) Act Projects which consist of 11 failing culvert replacements in tributaries located within the Siuslaw River Basin. Nine of the eleven culvert replacements will be installed with fish and aquatic friendly passage in mind. Because of the size and scope of this project culvert replacement information is provided in the following table.
