

The Project Overview:

Highway 35 is a state highway providing access to the Mt. Hood National Forest wilderness and recreational areas. The area is prone to washouts during storm and debris-related events. A project is currently being developed to reduce the risk of the road being closed during these events.

Come To The Public Meetings:

The Western Federal Lands Highway Division, ODOT and the Forest Service will be hosting two public meetings in August to get feedback on the project as it is proposed. The meetings will be held from 6:00pm – 8:00pm

August 25th, 2009 – Parkdale Fire Station at 4895 Baseline Drive Hall Parkdale, Oregon 97041

August 26th, 2009– Mt. Hood National Forest Headquarters at 16400 Champion Way Sandy, Oregon 97055
