

Technology Deployment Initiatives and Partnership Program **Request for Funding FY 2003**

FHWA Strategic Goal Area:

Productivity

Project Title:

WFLHD Technology Deployment Planning Session

Problem Statement:

Technology Deployment multi-year program is five years old and the activity list is nearing exhaustion. A update planning session is needed to refocus the program, align the new leadership, and develop an expanded activity list. New change agents within WFLHD should be brought together to carry the program into the next five years.

Proposal:

Host a 2003 planning session, off site, and update the multi-year WFLHD TD program.

Benefits:

The TD program will be expanded by the focus of the new team members and leadership. The program will be revitalized and continue to serve the WFLHD needs as well as the FLH business plan and Futures Paper.

Resources/Cost:

\$5,000

Duration:

The conference will be planned for the fall of 2003 and will last 2 days.

Organization/Method:

The TD UNIT and select members of the TD Team will plan and organize the session. Representatives from the other FLH offices and Resource Centers will be invited.
